PRESCHOOL

The Miller Family YMCA preschool is now enrolling! The school is open to fully toilet trained children 2.5 years to pre kindergarten. Our Creative Curriculum is grounded in our YMCA philosophy of having a child centered environment that focuses on literacy, mathematics, science, social studies, art, technology, healthy habits as well as social, moral and spiritual development. Please come by the Miller Family YMCA preschool and take a tour!

The Y stands out

When you enroll in our program you are not just enrolling in preschool or daycare. You are becoming part of an international movement to put the YMCA principles into practice through programs that develop healthy bodies, minds, and spirits. Our programs are planned with this mission in mind.
