On behalf of our Board of Directors and the entire staff at the Southeast Ventura County YMCA, welcome to our 3rd Annual Reach for the Stars Gala. We are grateful you are here tonight to join in our celebration.

This past year has been a year of tremendous growth for our YMCA. From opening our long-awaited Yarrow Family YMCA, to launching California Strong to support our community through the devastating events last November, our YMCA rose to the challenge to truly make a difference in all the communities we serve.

It is our pleasure to honor Mr. David Murdock whose vision and faith in our Y led us to where we are today. His dedication to excellence inspires the work we do each day and will impact our community for generations to come.

At the YMCA, we build relationships, impact lives and strengthen our community through youth development, healthy living and social responsibility. I am so proud of the work we have accomplished and commit to increasing our support and impact throughout our community in the year ahead.

Thank you for your continued partnership. Our community is stronger thanks to you!

THE SPEAKEASY

WE HOPE YOU JOIN US IMMEDIATELY FOLLOWING THE GÂLA PROGRAM!
SAFETY AROUND WATER
We believe all children deserve an opportunity to learn water safety techniques. Our YMCA is committed to making drowning prevention a priority for our community. We aim to ensure all children can safely enjoy the health and recreational benefits of swimming through three goals: have fun, be confident and stay safe.

- Every day, two children in the United States die as a result of drowning.
- Each year, the YMCA teaches more than a million children across the country how to swim.
- In 2019 alone, 533 children in our community learned vital water safety skills through Safety Around Water.

FIND MY GENIUS
To guarantee children in our community realize their full potential, we are committed to reducing summer learning loss through a 5-week summer program. Our program, offered at no cost to participants, provides academic instruction, healthy meals, physical exercise and enrichment opportunities for low- and moderate-income students not reading at grade level.

- Over 100 Scholars, incoming 1st–5th Graders, participated in Find My Genius at Conejo Elementary School.
- Scholars took weekly field trips to Underwood Family Farms, Discovery Cube, Pump It Up, Santa Barbara Zoo and Mother’s Beach.
- Find My Genius partners with the Conejo Valley Unified School District with plans to partner with all school districts in 2020.
OUR PROGRAMS

DAY CAMP
YMCA Day Camp shows children there is a world beyond a computer screen where they can learn, challenge themselves and build lifelong friendships. We design our programs to fit the interests of children and needs of parents.

RESIDENT CAMP
YMCA Resident Camp gives children an opportunity to experience a place designed to create happy memories and encourage self-expression. They climb towers, ride horses, shoot arrows and learn new games. These memories stay with them forever. Kids will learn from a full range of emotions and human experiences including friendship, homesickness, disagreements, teamwork, great successes and more!

YOUTH & GOVERNMENT
In 2017, Scott Nagatoshi, a 16-year-old member of the Miller Family YMCA’s Youth & Government program, was elected the area’s first-ever Youth Governor at California’s statewide conference in Fresno. The 3,700 participating delegates learned about leadership, public speaking, research and writing, teamwork, critical thinking, civic engagement and addressing statewide and national issues.

- 85% of Youth & Government high school delegates agree they personally need to take action to change society for the better.

ADVENTURE GUIDES
The YMCA’s Adventure Guides launches fathers (or other significant male adults in a child’s life) and their children on a journey of discovery, with the child as the explorer and the father as the guide. This program encourages parents to get to know their kids while they are still kids through group activities such as games, crafts, stories, songs, skits, ceremonies and outdoor pursuits such as camping, hiking and swimming. This one-on-one time in a fun, special environment builds important bonds through shared experiences.

BENEFITS OF CAMP:
- Expose children to new experiences
- Develop social skills
- Face challenges
- Build character
- Foster independence
- Unplug from technology
We congratulate David H. Murdock and the Southeast Ventura County YMCA for their stellar contribution to our community.

YMCA LEADERSHIP AWARDS

YOUTH LEADERSHIP AWARD
Scott Nagatoshi
Scott Nagatoshi participated in the Miller Family YMCA’s Youth & Government (Y&G) program, in which at age 16 he was elected the area’s first-ever Youth Governor at California’s statewide Y&G conference in Fresno. He works at the Conejo Valley YMCA in child care and membership services. Scott is currently a first-year student at Moorpark College pursuing his Associate’s degree in Political Science, where he pole vaults for their track team. After two years he plans to transfer to receive his Bachelor’s degree in International Relations. Scott aspires to join the Peace Corps and obtain his law degree. He is even considering running for public office someday.

EMERGING LEADERSHIP AWARD
Jessica Ramos
Jessica Ramos grew up participating in the Conejo Valley YMCA’s summer camps and Indian Princesses (now Adventure Guides), so the Y has always been an important part of her life. As an adult, giving back and volunteering continues to be important to Jessica; she has dedicated many years volunteering for the Y at resident camp and in Y&G programs. She recently began her twelfth year as a volunteer Y&G Advisor and her seventh year as one of the lead advisors at Miller Family YMCA. Inspired by her early involvement with the Y, she decided to pursue education and is currently a fifth grade teacher in Granada Hills. She fully credits her passion for teaching and the skills she needed to be a successful educator to the YMCA.

INSPIRATIONAL LEADERSHIP AWARD
Pat Wallace
Pat Wallace has served the Conejo Valley YMCA in various roles since 1986 as a volunteer, staff and board member. After serving the Conejo Valley YMCA’s resident camp and child care programs as a staff member in his early years at the Y, he began to volunteer with Y&G programs. Here, Pat became an advisor to the first Y&G Model Legislature Court delegation in the Association and the Conejo Y&G Model United Nations (MUN) program. Pat also served as a Conejo Board member for three years and is a YMCA White Ragger, which is a respectable achievement in the Y resident camp program. Pat grew up in Thousand Oaks and graduated from Thousand Oaks High School, Moorpark College and California Lutheran University. He has been a science teacher at Chaparral Middle School in Moorpark since 1995 and lives by the basic philosophy of “do a little good every day.”

Congratulations!

John and Debbie Edelston
In the early 1930s, Joel and Frances McCrea bought and established a working ranch in the Santa Rosa Valley. They fell in love with the area and made it their home.

It was Joel and Frances’ commitment to community and family values that led them to donate the land to build the Conejo Valley YMCA over 50 years ago. Today we honor their legacy by staying true to our YMCA core values while keeping our doors open to all who need our programs and services.
